

FIRST LOOK Skin

Luscious cream-to-powder **Sonya Dakar Pore Minimizer** refines skin texture with three plant extracts from the Amazonian rain forest—açai, copaiba and andiroba—that protect, regenerate and quell inflammation.

Phytocéane Sea Optimum Rejuvenating Eye Care softens fine lines and wrinkles with youth-boosting ingredients such as delesseria sanguinea (red algae) extract, and butterfly lavender and sea fennel essential oils.

Restore the bloom of youth with **Fleur's Eldora Lifting Firming Cream**, featuring pure 24-karat gold powder. Helichrysum extract fights free radicals and helps rejuvenate skin function; white lupin extract improves elasticity; and light-refracting minerals reduce the appearance of age-revealing wrinkles.

AminoGenesis Wrinkle Arrest stops fine lines in their tracks with an antiaging blend that delivers 25 key biological building blocks, including youth-promoting retinyl palmitate and lysine HCL for strengthening the moisture barrier. Plus, provides SPF 18 protection!

Offer an organic experience with **Beauty Garden by Sothys**. Two standouts from the line: **Flower Water With Angelica and Hawthorn** makes removing makeup a breeze, while **Gentle Face Care With Helianthus and Rosemary** melts into skin with vitality-boosting rosemary essential oil.

Post-holiday stress, be gone! **Colorescience Achromatherapy Gem Spritzers** combine aroma, color and gem therapies to improve mood and skin to improve mood and skin with six unique formulas, including Be Still, Incredible Romantic, On the Mend, and Treasured Moments. All are ideal for setting makeup while balancing stressed skin.

Control oil spills with **Murad Oil-Control Mattifier SPF 15**. Proprietary Oil Control Complex regulates sebum production without stripping moisture, while willow bark and argan extracts reduce breakouts and reveal baby-soft skin.
