

Tool It!

Better your work with the newest in blow dryers, brushes and combs.

by Jeryl E. Spear

Featuring ceramic and tourmaline barrels, the **HAI Classic Pro** brushes boast a nonslip finger grip, unique vented barrel and lightweight construction. Available in Large (2½"), Medium (1½"), Small (1¼"), and Extra-small (1") sizes.

Spurs? What spurs? Courtesy of meticulous designs and high-quality mold injection processes, **FHI Heat Carbon Combs** banish rough surface imperfections. Available in 7" and 9" sizes. Extra! The combs can withstand up to 450° F styling temperatures.

High-tech meets high style with **Paul Mitchell protocols express ion** round brushes. The slip-free, soft-touch tools are infused with patented Express Ion Complex to help reduce flyaways and speed drying time without compromising hair health.

Comare antistatic brushes are infused with AccuSilver to leave hair smooth and shiny. Includes: **Oval Cushion**, **Flat Styler**, **Tunnel Vent**, and **12-Row Round**.

The **Margaux** by **Monroe** features natural boar bristles plus nylon quills to stimulate the scalp while distributing natural oils throughout the hair. Bonus! Great for extensions.

Instant success! **Spornette International Pronto** round brushes' concave, aerated barrels keep hair in place and ensure rapid drying time; the tourmaline and nanosilver bristles guarantee a smooth finish. Available in 1½", 2", 2½", and 3" barrel sizes.

She'll be riffing your styles in no time when using **TIGI Bedhead** brushes: **Spoil Me** (vent); **Superstar** (paddle); and **Masterpiece** (cushion). All are made with top-notch bristles for a no-scratch, no-tear experience...guaranteed!

Need more balance in your life? No problem! The **Sam Villa Signature Series Brushes** feel balanced in the hand and have extra-long handles for more support for the palm and wrist. The Series includes Small, Medium and Large round boar-bristle brushes; a nine-row finishing brush; and cushioned styling and paddle brushes.

Handmade for finish perfection, the smooth-as-glass **Bohn** combs by **Pivot Point** include **Cutting**, **Texturizing**, **Molding**, and **Tail** combs.

When hair behaves badly, it's in need of a miracle—**The Miracle Brush** by **Sexy Hair** founder Michael O'Rourke, that is. The new dual-purpose brush blends nylon bristles for grip with boar bristles for smoothing action.

CHI Turbo brushes make styling a breeze. Special features include comfy, sure-grip handles and ceramic barrels to produce tons of negative ions. Available in four sizes to brush and style all hair types.

Get your style on with the **Euro Pro Ionic Dryer** in the **Gold 'N Hot Elite** series. Features include: ionic technology, 2 speeds, 6 heat settings, a cool shot button, an ergonomic handle, and 1,600 watts of power.

There They Blow!

Procure a silky finish with the **ProSilk Far Infrared 3000 PD** dryer. Ionic technology infuses moisture into the hair shaft, while ceramic heat maintains an even temperature and ensures penetration of silk molecules into hair.

Express your creativity with **Paul Mitchell Protocols Express Ion Dry v.1** blow dryer, which features 1,500 watts of energy-efficient power. This high-tech dryer also includes an ultra-quiet motor, ionic styling nozzle and a professional 9' cord.

Brushes (and combs!) with Fame

Create high-flying styles with the **Solis Jet TCI** blow dryer that uses jet-turbine technology to draw in 25% more air and create a powerful 56 mph air blast, while tourmaline, ceramic and ionic properties promote hydration, and shine.

You'll be styling hair at three times the speed of sound courtesy of the **Hot Styler Tourmaline Mach III Hair Dryer**. Using tourmaline technology to gently dry and lock in moisture, the lightweight, 1,800-watt DC motor delivers dynamic airflow and multiple heat/air options.

Downsize your arsenal with the new **mini CHI PRO Collection** that includes petite versions of the **CHI Original Ceramic Flat Iron** and **CHI Pro Hair Dryer**. Intel! The mini dryer offers the same power as the full-size model.

Small enough to fit in the palm of your hand, the feisty **Metropolis Tourmaline Ionic Travel Dryer** has a 1,000-watt motor, 2 speed settings, and dual voltage, and comes with a mini-finger diffuser and travel bag.

The compact, 1,700-watt **TIGI Hardcore Blown Away** blow dryer is infused with powerful tourmaline to impart a shiny, frizz-free finish. Extra! Comes with a tourmaline finger diffuser for fast, smooth and gentle styling.

Infused with heat-activated Gemstone—a blend of ceramic, jade, opal, and titanium—and featuring an active ion generating system, the **Fusion Tools HTX007** lightweight blow dryer provides faster drying times and cuticle closure.

Beautifully crafted with a lacquered-burgundy finish, the **Create Ion Blow Dryer** includes natural Japanese Ion Technology and Far Infrared Technology for faster drying times and sleeker finishes. Includes mica plates and a heating element infused with a blend of 32 natural ion minerals. News! The new **Natural Ion Travel Hair Dryer** (shown) allows you to enjoy all the benefits of the full-size dryer for styling on the go.

J&D Beauty Products Limited Edition Vintage Dryer is a groovy tool that delivers 1875 watts of flower power, ceramic and tourmaline ionic technologies, and features a cold shot button for instant style setting. Extra! The hippy-chic tool comes with two different concentrator nozzles.

Make your styles sizzle with **Mega Hot Ultra-Light Hair Dryer With Tourmaline**. Includes a nonslip insert; 2 speeds and 6 heat settings; a finger diffuser; an air concentrator; and a 9' cord with hanging ring.

Ultra-compact and delivering a powerful 2,000 watts of power, the **TwinTurbo 3500** blow dryer has multiple heat and speed settings; two unbreakable nozzles (one for fast-drying, the other for setting); and amp switches with heavy-duty, solid silver contacts.

Barbar BT with black tourmaline crystal technology creates softness and shine, while the top-of-the-line AC motor produces 1,600 watts of drying power. Bonus! Includes a built-in ionic charger and 11' professional cord.

With 1,600 watts of power, recessed switches, a tourmaline-infused finger diffuser, and a lightweight motor, the **Wigo AbstraX** blow dryer makes styling a breeze. Bonus! Three-year warranty included.

Want a tool that's strong enough to blow leaves off the driveway? Look no further than the **FHI Nano Salon Pro 2100 Turbo Blow Dryer**. Producing an incredible air rate of 15 meters per second, the powerful tool has an aerodynamic design and includes proprietary NanoFuzeion technology. Did we mention that it's also sexy?

TS-2 Design Products, a division of **J&D Beauty**, unveils two new blow dryer accessories: The **TS-2 Bi-Turbo Nozzle** incorporates dual vents for extreme volume and speedy straightening capabilities; the **TS-2 Aerate Diffuser** produces five airflow directions to help create voluminous styles.

the **DevaCurl DevaFuser** kit that includes the signature, hand-shaped diffuser with a gentle, 360° F air flow; a universal adapter; and a 3 oz. **Set It Free Moisture Lock Spray**.

Curly girls will twist and shout (for joy, that is) when using
