Make her peepers really pop with **UMO Gamma PGA Eye Mask**, which firms and brightens the delicate eye area. Soybean-derived Gamma PGA gently hydrates and improves elasticity to plump telltale aging around the eyes. Want more? Also available are **UMO Facial Mask** and **UMO Lip Mask**.

Move aside, Robert Smith—there's a new **Cures** in town! **Avancé Cures Blemish Serum** contains antibacterial tea tree oil to prevent breakouts, juniper oil to increase blood flow and lemon oil to tone skin.

Your clients will be camera-ready in no time with **Joey NY Unveiled Glossé**, a lightweight complexion gloss that puts a lustrous finish within easy reach of all clients, no matter whether their skin is devoid of lubrication or drenched in natural oils.

Why get in line when there's **TNS Line Refine** by **SkinMedica**? Light diffusers soften skin's appearance while tripeptides work to inhibit facial muscle contractions and plump skin, reducing the appearance of fine wrinkles.

Don't accept aging skin's spotty performance! **Gerda Spillmann Swiss Skin Care Age Spot Reducer** helps prevent and reduce pesky hyperpigmentation by inhibiting the production of melanin.

Bonus! Swiss edelweiss acts as a natural antioxidant to neutralize marauding free radicals.

Get **Ready, Set, Scrub!** and help your Gen-Y clients win the top complexion award...at last. The latest product in the **Dermologica Clean Start** line for teens, the masque/scrub combo incorporates silica granules to slough away dead skin cells and purifying clays to remove excess oil.

She's overdrawn her skin's natural balance and now it's in the red; time to make a **Mineral Deposit** and replenish her skin's wellness! **Intelligent Skin Sense's** latest serum employs zinc and copper minerals to calm skin plagued by hormonal imbalances and rosacea, while AHAs brighten even the duller dermis.
