L'Oréal Professionnel **Serié Expert Liss Ultime** relaunches with new technologies. Products within the line include the deep-conditioning **Smoothing Masque** feature Oil Incell (a combo of argan and olive oils, as well as smoothing Incell Technology) plus protecting Polymer AR to shield hair fibers from humidity's effects.

**Pravana Naturceuticals Keratin Fusion Revitalizing Shampoo and Conditioner** can smooth out any follicle foibles. The tress-saving twosome contains the proprietary Naturceuticals Complex, a blend of bodybuilding proteins and curative botanicals that strengthen and soothe.

Wash those flakes right out of her hair! **Matrix Biolage ScalpThérapie** introduces **Antidandruff Shampoo, Conditioner and Treatment**, each containing pyrithione zinc to help combat dandruff. What's more, Bio-Cushion Complex, a blend of mallow root and green tea, protects tresses to leave them healthier-looking.

Just what the hair doc ordered: **Abba Herbal Remedy Leave-In Treatments**, available in three formulas—**Color Protect, Moisture** and **Volume**—that penetrate the hair shaft and deeply hydrate the cuticle, sans sulfates, paraben or DEA.
