Brand-new products you'll want right now

Touch up crafted coifs before they fall with **HALO FLEXIBLE CONTROL HAIR SPRAY**. Humidity-resistant and quick-drying, the medium hold hairspray leaves hair easy to comb and flake-free.

The options are limitless with **GRAHAM WEBB BRIT STYLE WHIPPED WAX**, a versatile styling cream that works on him and her. The frothy formula retains the lightweight properties of a cream, but also texturizes, sculpts and styles like a wax.

Short, textured cuts come to life with **ISO DAILY DETAIL PUTTY**. Formulated for normal to fine crops, the latest addition to ISO's line of texture-centric stylers and finishers guarantees defined separation that stays put.

Tapping centuries-old Central American tribal traditions, **OJON RARE HARVEST TAWAKA ANCIENT REJUVENATING CLEANSER** and **CONDITIONER** feed both locks and skin with antioxidant-rich, concentrated blends to restore precious oils to hair and skin and improve hair's condition.

Bring hair from bland to bo-dacious with **VAVOOM BUST OUT BODY SHAMPOO** and **CONDITIONER**. Each contains V-Lift Support Technology, a weightless styling polymer that increases volume while ceramides reinforce the integrity of the hair.

A romp in the ocean lends hair cool texture; so does **JOHN MASTERS ORGANICS SEA MIST**, a sea salt spray with essential lavender oil to balance and soothe the scalp.
