Step beauty sleep up a notch with **Joey New York Rise and Shine**. Rich with the antiaging properties of marine collagen, grape seed oil and pomegranate extract, the overnight mask works to rejuvenate your client's countenance while she rests.

Holy double act, Batman—there's a new dynamic duo in town! Used in tandem, **Y.E.S. Anti-Aging Serum** and **Rejuvenating Moisture Cream** fight the good fight against aging. Anti-Aging Serum increases cellular proliferation to help reduce wrinkles, scars and age spots, while Rejuvenating Moisture Cream employs sea-buckthorn to aid in stimulating cell regeneration.

Welcome to the age of skin enlightenment! **Jan Marini Skin Research Age Intervention Enlighten** facial lotion enlists retinol to brighten and reduce facial discoloration—including hyperpigmentation from scars—while it minimizes the appearance of wrinkles.

Ready to be born again? **Gerda Spillmann R.A.O.** vitalizing oil is a blend of essential oils that helps minimize the appearance of damaged skin, such as burns, scar tissue and stretch marks. Bonus! Can be applied before shaving to protect against razor burn.

Obey the master—**Tweezerman's** latest tool, **MasterTech Skin Care Tool**, that is. This truly is a doubled-edged delight: One side features an angled loop, while the other end has a flat side for gently unclogging pores. Extra! The exclusive MasterTech grips allow for precise control and comfortable use.

Be utterly skin-sational with intense daily serum **AminoGenesis DermaScyne**. The elixir employs amino acids to help stave off premature aging, and moisture-binding compounds that imbue skin with water for skin-tilating hydration.
